

## STEINER HERITAGE™ WARRANTY

We are committed to building optics that never need service. However, should one become damaged or defective, for any reason other than theft or deliberate misuse, we will repair or replace it at no charge - no questions asked. That's our promise to not only you, but to all those who will own your Steiner optic after you.

- No warranty card needed
- No receipt required
- Fully transferable - from generation to generation

Technical Manual

76000

The Mk5 Hand-held Tactical Light features a stunning 650 lumen LED in a sleek, compact package. The Mk5 offers an 8° hot-spot with a 50° flood illuminator to point out targets at far distances while maintaining peripheral vision awareness.

#### **BATTERY INSTALLATION:**

1. Rotate flashlight head counter clock wise and remove from battery housing.
2. Install batteries in correct orientation as marked on housing.
3. Install flashlight head by turning clock wise onto battery tube.
4. Do not use any tools to turn flashlight head.

#### **MAINTENANCE:**

- Never use strong cleaners or solvents on housing.
- Use soft towel and soapy water to clean external housing.
- Use damp towel to clean internal battery compartment. Excess moisture inside battery compartment may damage unit.
- Use alcohol and soft towel to clean front window.

#### **OPTIONAL ACCESSORIES** (not included)

- Mk5 Dual Tailcap (Push Button/Remote Cable) - Black (Item # 9161)
